WARWICKSHIRE EXPLORERS Challenge Yourself?

Are you ready for an emotional journey?

Would you like to go on a unique trip that is both amazing & spectacular?

Do you want the chance to meet Explorers from all over Warwickshire?

You know that there were two World Wars, & battles won & lost, but what did those who fought really experience?

Did you know that the Royal Warwickshire Regiment had its own "Private Ryan" story? Sadly, it did not end as well as Spielberg's film.

This trip gives you a rare chance to find out what it was like for the men who were prepared to give their lives for the freedoms that we all enjoy today.

Seeing historic sights of conflict will provide a better understanding of events & the sacrifices made by those who fought.

Only you will know how placing a single wooden cross at the memorial to a family member or laying a wreath in front of a crowd of people will affect you.

You will find out what made a hero, & what the men in our area once did for us.

From little to large, each ceremony is important.

The friendships you make during this trip will continue long after your return.

Belgium is famous for Flanders, the Menin Gate and, of course CHOCOLATE.

If you are interested, grab an "I'm Interested" form - it has some details that your parents will need to see, have a chat with them, & when you are ready, fill it in & return it as soon as possible.
